

Jack Lawton

Writer and Narrative Designer.

Experience

Narrative Designer and Writer

Romero Games, Galway, Ireland

Feb 2020 – June 2025

- Worked on a number of projects:
 - o *Silver Bullet* (2021-2025) (Cancelled project)
 - Collaborated to create setting, plot and characters for a new IP.
 - Wrote design documents for many gameplay features.
 - Designed narrative delivery systems.
 - Implemented dialogue in Unreal Engine 5.
 - Wrote scripts for cutscenes, scripted events, and character barks.
 - Collaborated closely with several teams to ensure narrative content was implemented to a high quality standard.
 - o *Project Buttercup* (2021)
 - Short-term murder-mystery adventure game demo project created for a Romero Games client. Designed narrative systems, created characters, narrative, and wrote and implemented branching dialogue using Inkle.
 - o *Empire of Sin* (2020)
 - A strategy/RPG game. Wrote branching dialogue, created characters, designed and implemented main missions, side missions and dynamic events using Unity.

Co-Creator, Writer

Hybernia: The Otherworld Cycle

March 2020 – Present

- Part of an on-going writing team developing a pitch for *Hybernia*, an animated television series currently being pitched to several Irish production companies.
- Collaborated to create setting, core characters, series arc, and episode outlines.
- Wrote pilot script.
